# WELCOME!

## O RESTAURANTE MAIS CAPIXABA DO MUNDO ESCOLHIDO E PREMIADO POR VOCÊ!

Várias vezes vencedor dos maiores prêmios do ES, que comprovam nossa dedicação por você.

Dear customers, it is with great joy that we welcome you to our home!

We have an important message: here at Ilha the service fee is OPTIONAL! The "10% Service Fee" is a cultural form of appreciation, for part of the customers, to the waiters, for the excellence in the service provided. Here at Ilha, the 10% is divided among all our employees: **salon attendants, reception, cleaning, pantry and kitchen staff**. After all, everyone, together, makes Ilha happen.

At the end of your bill, there will be an increase of 10% on the total amount. This addition is absolutely optional and should in no way be treated as mandatory.

To withdraw the amount of "10%" from the account. If this is the case, you just need to ask.  
We are grateful to all CarangoLovers who choose to be with us and live the Island with us!

**Carangolover, atenção  
com as nossas legendas:**
